## Hart Schaffner & Marx and Clothcraft Clothes offer you distinction in style

THERE'S something more important to consider, in buying your clothes, than merely that they're stylish; when you appear in your new suit you ought to want a certain distinction—sometimes it's called the "classy" look; and that's one of the advantages you'll get when you buy Hart Schaffner & Marx clothes.

The models are not "flashy;" they're "gentlemen's" clothes; an air of dignity, of high-toned dress which most men appreciate.

This quality is important; but it doesn't last in clothes unless they're made of the right materials and properly tailored. Be sure you get that kind.

These Clothes are of all-wool fabrics; perfectly tailored; special style designing for men and young men.

Hart Schaffner & Marx Clothes \$18, \$20, \$22.50 and \$25
